Course Description
This conference will highlight the multi-disciplinary approach of managing the morbidly obese patient with regards to bariatric surgery, post-operative care and nutritional monitoring.

Target Audience
This program is designed for Primary Care Physicians, Residents, Physician Assistants, Nurse Practitioners, Nurses, Nutritionists, Social Workers, Psychologists and Registered Dieticians caring for the obese patient.

Learning Outcomes
Upon completion of this conference, participants will be able to:
• Describe current bariatric techniques and patient selection.
• Introduce new surgery techniques.
• Recognize post-surgical complications after bariatric surgery.
• Discuss options for post-bariatric body contouring.
• Describe nutritional outcomes of bariatric surgery.
• Assess the impact of morbid obesity on pulmonary function.
• Explain the impact of bariatric surgery on pharmaceuticals.
• Identify the evolution and management options for eating disorders.
• Explain the impact of childhood and early adolescent obesity on the medical management of the morbidly obese adult patient.
• Discuss the change in management of diabetes from initial bariatric evaluation through the post-surgery follow-up period.
• Recognize the psychologic component of the bariatric program both pre and post surgery.

Accreditation
AMA: Albany Medical College is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Physician Assistant: AAPA: AAPA accepts Category 1 credit from AOACCME, Prescribed credit from AAFP, and AMA Category 1 CME credit for the PRA from organizations accredited by the ACCME.

Registered Dieticians: CEU’s have been applied for through the American Dietetic Association.
