**Learning Outcomes**

Upon completion of this conference, participants will be able to:

- Discuss how laser vision correction will change in the future.
- Name three criteria used in the decision to treat an infantile hemangioma.
- Name four common periocular vascular anomalies.
- Describe indications for eyelid reanimation.
- Name three methods of protecting the cornea in a patient with facial paralysis.
- List three interface complications following DSEK surgery and their management.
- Describe several techniques for reducing cell loss in DSEK surgery.
- Describe the clinical manifestations of acute and chronic Steven’s Johnson Syndrome.
- Explain the role of beta-blockers in capillary hemangiomas.

**Target Audience**

This conference will be of interest to practicing general ophthalmologists, as well as subspecialists and other ophthalmic health care professionals. This year also has a special afternoon session specifically targeted to ophthalmic oncologists.

**Accreditation**

**AMA:** AMA

Albany Medical College is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The Albany Medical College designates this live activity for a maximum of 8 *AMA PRA Category 1 Credit(s)*™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

**AAPA:** AAPA accepts Category 1 credit from AOACCME, Prescribed credit from AAFP, and *AMA Category 1 CME credit(s)*™ for the PRA from organizations accredited by the ACCME.

**Other:** Please call the Office of CME at (518) 262-5828 to inquire about other types of professional credit.

Confirmation

All registrants will receive a confirmation card in the mail or via e-mail. If you do not receive this prior to the conference, please call the Office of CME at (518) 262-5828 to confirm that we have received your information.

For Information

For further information, please contact the Office of Continuing Medical Education by phone at (518) 262-5828, by fax at (518) 262-5679 or by e-mail at schreim@mail.amc.edu. For emergency calls during the conference, please call the Desmond Hotel at (518) 869-8100.

Visit the Albany Medical Center website at www.amc.edu.

Special Needs

If you have disabilities, dietary restrictions or other special requests, please contact the Office of Continuing Medical Education at (518) 262-5828 by March 18th to discuss your needs.

Acknowledgment

A complete list of supporters will be provided at the conference.

Dubins’ Memorial Lectureship

The Dubins’ lectureship was established in 1983 to honor the late Henry B. Dubins, a caring and generous member of the clinical faculty of the Department of Ophthalmology at the Albany Medical College. Dr. Dubins was a leading figure in the ophthalmology community for more than 30 years, serving as Chief of the Ophthalmology Department at Child’s Hospital and President of the Eastern New York Eye, Ear and Throat Society.

This year marks the 29th Annual Dubins’ lecture. This year’s Dubins lecturer is Lawrence Tychsen, MD, Professor of Ophthalmology and Visual Sciences, Professor of Neurobiology, and Professor of Pediatrics at the St. Louis Children’s Hospital. Dr. Tychsen completed his undergraduate training and medical school at Georgetown University before his residency in ophthalmology at the University of Iowa. He has completed two fellowships: in neuro-ophthalmology at the National Eye Institute and in pediatric ophthalmology at Smith-Kettlewell in San Francisco. Larry has presented his research in the neurobiology of strabismus in countless publications and lectureships.
Agenda

Thursday, April 7, 2011
5:30 - 6:30 pm  Registration, Exhibits & Dubins’ Reception
(Hors d’œuvres and beverages)
