EndNote Web Mobile

To use the mobile version, you must create an EndNote Web account (at no cost) through the link provided in your EndNote program. If you do not own EndNote, you can register using the links that the Library provides to EndNote Web on the AMC Intranet (Academic Tab > Schaffer Library > Software & Downloads > EndNote Web) or on the Library Electronic Resources internet page.

Instructions:

1. Open the EndNote Web login page.
2. Select the ‘Sign up’ link for new users and fill in the required information.

3. To use EndNote Web Mobile on your device, select the link under ‘Mobile Responsive & Optimized Sites’ on the Library ‘Mobile Resources’ page or enter this URL: http://www.myendnoteweb.com
4. Enter your email address and password.
