ETHICS GRAND ROUNDS

Thursday, May 16, 2013

12 Noon - 1 PM

Huyck Auditorium

Speaker:
Cynthia Geppert, MD, PhD, MPH, MSBE

Title:

By the end of the presentation the participant will be able to:

1. Describe the results of the 2011 Psychiatric Times Ethics Survey.
2. Give examples of common ethical and legal dilemmas encountered in psychiatric practice.
3. Analyze potential approaches to resolving these common ethical dilemmas.

Dr. Cynthia Geppert is Chief of Consultation Psychiatry and Ethics and Integrated Ethics Program Officer at the New Mexico Veterans Affairs Health Care System, Ethics Consultation Coordinator for VISN 18. She is also Associate Professor in the Department of Psychiatry and Director of Ethics Education at the University of New Mexico School of Medicine. She received her undergraduate degree in religion from The Colorado College and earned a Masters of Arts from Vanderbilt University and a doctorate from the International Reform University in Religious Ethics. Dr. Geppert completed medical school at the University of Texas at San Antonio and a residency in psychiatry and fellowship in ethics at the Institute for Ethics at the University of New Mexico School of Medicine. Dr. Geppert was awarded a Master’s in Public Health from A.T. Still School of Health Management and a Master’s of Science in Bioethics from the Alden March Bioethics Institute of Albany Medical College. Dr. Geppert is board certified in general psychiatry, psychosomatic medicine, hospice and palliative medicine, and is certified by the American Board of Addiction Medicine, the American Board of Pain Medicine and is a Diplomate of the American Academy of Pain Management.

There will be plenty of time for questions and answers.
