The Columbia HIV Mental Health Training Project, with funding from the New York State Dept. of Health AIDS Institute, now offers the warmline. Mental health care providers in New York State with HIV clients can access assistance from a psychiatrist who specializes in the relationship between HIV and mental health. All calls will be returned within 48 business hours.

For more information contact us at
(212) 543-5413

This conference is funded by NYSDOH AIDS Institute with support from the NYS Office of Mental Health and the NY/NJ AIDS Education and Training Center.

February 25th 2014
8:30 am - 4:00 pm
## The Training Project

The Columbia University HIV Mental Health Training Project provides free training on the latest developments in mental health aspects of the AIDS epidemic. Funded by the New York State Department of Health AIDS Institute, we train care providers throughout New York State. Faculty are experienced clinicians, educators, administrators, and researchers in HIV and mental health.
