

Upstate New York Immunology Conference 2023

POSTER ABSTRACT SUBMISSION form
DEADLINE is 5:00 p.m., FRIDAY, AUGUST 4, 2023

A limited number (50) of poster abstracts will be accepted to maintain spacing.

POSTER SIZE cannot exceed **42" w x 48" h** (no exceptions).

Every abstract submitted must accurately represent the corresponding poster and, if chosen, will also serve for your oral presentation.

All trainee-submitted abstracts will be considered for an AAI Young Investigator Award or an NYIC Travel Award (if available) unless you opt out below.

Awards will be chosen based on the scientific quality of your abstract. If selected for an award, you will also be expected to give a short oral workshop presentation.

Click [here](#) for formatting guidelines of the poster abstract and poster. **Failure to follow formatting guidelines will result in a return of your abstract for correction (only once).**
